

questions to ask your pharmacist

Questions to ask your pharmacist

Here is a list of questions to ask your pharmacist when you pick up your next prescription.

1. Is this a generic?

2. Is there a generic version of my drug available?

3. Can I substitute my medication with the generic?

4. How much will I save under my prescription plan if I switch to a generic?

5. Does the generic version look different from the brand name drug?
